Dear William Paterson Student, Faculty and Staff:

William Paterson University is now a Federal Direct Loan participant. All 2009-2010 Federal Stafford, Graduate PLUS and Parent PLUS loans will be processed by the Federal U.S Department of Education. The University is no longer participating in the **Federal Family Education loan Program (FFLEP)**.

Federal Direct Loans are fully integrated into the Federal student aid delivery process. The Free Application for Federal Student Aid (FASFA) serves as the student loan application for Federal Direct Loans, eliminating the need for students to navigate the tedious FFELP bank loan application process.

Once student receive 2009-2010 award letters all new and returning students will be informed that they are required to complete a Direct Loan Master Promissory note. All new students, incoming freshmen and transfers will have to the complete Direct Loan Entrance Counseling as well.

If you have any questions regarding the Direct Loan process, please contact the Financial Aid Office for assistance at 973-720-2202 or finaid@wpunj.edu.

Sincerely,
Office of Financial Aid
