

The Gandhian Forum *for Peace & Justice* presents

Freedom Under Fire

Vincent Warren

Executive Director

Center for Constitutional Rights

We face today a broad range of threats to our freedoms. The **Center for Constitutional Rights** has long been on the front lines defending our freedoms in areas such as abusive immigration practices, racial and religious profiling, torture, illegal surveillance, discriminatory policing, sexual and gender-based violence, mass incarceration, and the criminalization of dissent.

Join Us!

Wednesday, March 22, 12:30-1:45
