Clarifications and Updates

1. It is likely that the chair lift may take ten weeks for delivery from date of order. If this is the case, contractors must complete all work except for the installation of the chair lift by or before January 16, 2017. Also if this is the case, the existing handrail on the chair lift side of the stairs shall remain until the chair lift arrives on site. If the lift cannot be installed before January 16th, it shall be installed between March 12th and March 18th (Spring Break). Additionally, it is permissible to work on Saturdays between January 16 and March 12, but at no additional cost to the University.
2. Sealed bids must be publicly received at the University by the office of Associate Vice President located at the College Hall Room 312 (Building #35 on the Campus Map), 358 Hamburg Turnpike, Wayne, New Jersey, prior to 2:00 p.m. on **Friday, December 2, 2016**, and will be opened immediately following.
