11<sup>th</sup> Annual  
Undergraduate Research Symposium at  
William Paterson University of New Jersey

This annual Symposium provides an excellent forum for undergraduate researchers to present their original work at a regional meeting. Posters will be in the following areas of research:

Physiology & Toxicology, Cell & Molecular Biology, Genetics, Ecology, Evolution & Environmental Science, Organic Chemistry, Inorganic Chemistry, Biochemistry, Nano Chemistry, General & Physical Chemistry and Materials Chemistry

This year's Plenary Talk will be "A Good Egg Is Hard To Find" by Dr. Karen Schindler from the Cancer Institute of New Jersey, Rutgers University.
