**INTERESTED IN A CAREER  
TEACHING SCIENCE OR MATH?  
INTERESTED IN A \$10,000 PER  
YEAR SCHOLARSHIP?**

Students studying to teach science or math who intend to spend at least 2 years teaching in a high need school are eligible for scholarships up to \$10,000 a year for up to two years. Professionals returning to teaching are eligible for one year of scholarship assistance. These scholarships have been made available by a generous grant from the National Science Foundation.

Undergraduate scholarships are available for up to two years if the student maintains a minimum GPA of 2.8.
