

APRIL 2010

April 14th – Last Meeting of the Year – Do Not Miss It!

As you know, this year, our theme has been “**Celebrating our Successes and Moving Forward**”.

Our agenda for the last meeting will be on the **Middle States Accreditation Process and Progress**. There will be a panel consisting of the heads of the four (4) Workgroups covering the 14 Standards for Middle States Accreditation. Our second program will consist of **Preparing for the New President**.

Martin Williams will moderate an interactive session and facilitate discussion on “What have we done as a Directors Council” and “What do we want to accomplish as a Directors Council with the new President?”

As usual, the final meeting for the year will be held in the University Commons Ballroom A and coffee and tea will be served. Come spend your morning with your fellow Directors and learn more about how you can make a difference at William Paterson University.
