College of Science & Health  
No nominations received or accepted

Library  
Bill Duffy, Library

At-Large  
Vacant \*

**\* Vacant At-Large seats are due to University policy that states that no two members of a single department may serve on the same committee.**

See policy below.

## University Promotion Committee (UPC), and University Faculty Range Adjustment Committee (UFRAC)

2. Both Committees shall be constituted as follows:

- One tenured faculty member elected from each of the five Colleges.
- **Two tenured faculty members elected as At-Large representatives, provided that neither of the At-Large representatives are members of a department already represented by a “College” member. No department shall have more than one member sitting on the committee.** In the event that two or more representatives are elected from the same department, the seating priority is first the representative from the College and then the At-Large representatives in order of votes obtained, subject to the same restriction.

## Sabbatical Leave Committee

2. The Sabbatical Leave Committee will be constituted as follows:

- One tenured faculty member elected from each of the five Colleges.
- One tenured librarian elected by librarians.
- **One tenured faculty member elected as an At-Large representative, provided that he/she is not a member of a department already represented by a “College” member. In the event that two or more representatives are elected from the same department, the representative from the College will be seated and the At-Large representative will be disqualified.** In this event, the next highest vote winner will be awarded the At-Large seat.

## Assigned Released Time Committee (ART)

2. The Assigned Released Time Committee will be constituted as follows:

- One faculty member elected from each of the five Colleges.
- One librarian elected by librarians.
- Two faculty members elected as At-Large representatives, **provided that neither of the At-Large representatives are members of a department already represented by a “College” member. In the event that two or more representatives are elected from the same department, the representative from the College will be seated and the At-Large representative will be disqualified.** In this event, the next highest vote winner will be awarded the At-Large seat.
