Senior Jazz Honors Student Presents Honors Thesis Project

William Paterson senior Alex Chilowicz, presented his Honors thesis project on Wednesday, December 9 in Shea Auditorium. Despite inclement weather, there was a good turn-out for the event, which, according to Zan Stewart of *The Star-Ledger*, was a "vivid performance marked by aesthetic panache and stellar musicianship." The performance also received a glowing review

by David A. Orthmann of *Allaboutjazz.com*.

The performance of Stan Getz's *Focus Suite* and other jazz standards featured Chilowicz on saxophone, accompanied by members of the Manhattan School of Music Jazz Philharmonic Orchestra. The performance also featured bassist Steven LaSpina, jazz guitarist Paul Meyers, harpist Kimberly DeRosa, and William Paterson Honors students Billy Test and Arthur Vint. Richard DeRosa, associate professor of music at William Paterson, conducted.

Funding for the project was made possible in part by a grant from the Student Undergraduate Research Program at William Paterson. Chilowicz's public performance partially fulfilled his requirements for completion of the Honors College Music Track, under the direction of Dr. Jeffrey Kresky.

Honors Students Enjoy Trip to Washington D.C. in November

On Saturday, November 14 William Paterson University students, faculty members, and guests traveled to Washington, D.C on a trip sponsored by the Honors Club and funded by the Student Government Association (SGA). The students enjoyed visiting many monuments and museums, and enjoyed the opportunity to visit Arlington National Cemetery prior to returning back to campus on Sunday evening. The Honors Club hopes to sponsor another trip this semester, and suggestions about possible destinations are welcome. (Please see page 3 for photos of the Washington D.C. trip.)

Honors Students Finish Knitting Projects

The final Knitting Night of the fall semester was held November 17 in High Mountain East. Over 35 scarves were completed and donated to the Passaic County Head Start and to Eva's Village in Paterson. The Honors Club thanks everyone who worked on this project, and encourages everyone to continue working on scarves to donate next fall. Additional Knitting Nights will be held this semester. Please watch for more information.

Coats And Scarves Donated to Passaic County Head Start

On November 20, Honors students Kristina Kosztyo and Christina Freer delivered approximately forty children's coats and twenty hand-knitted scarves to Passaic County Head Start. While there, they had the opportunity to tour the renovated facility and spend time interacting with a class. The faculty and staff were very appreciative of the Honors Club for the donations, and were pleased that the children would have warm clothing for the upcoming winter season.

Hot Chocolate Sale Raises Money for Charity

The hot chocolate sale held December 1 in conjunction with the final coat drive collection was a great success! The proceeds were donated to St. Jude Children's Research Hospital.

Following the final coat collection, Honors Club president, Kristina Kosztyo, delivered over sixty coats, and approximately twenty knitted scarves, hats, and gloves to Eva's Village. Thank you everyone who contributed to this year's coat drive, knitting nights, and hot chocolate sale. Please keep in mind that there will be another coat drive next fall.

A Festive End to the Semester

The annual Honors Holiday Party was held December 2 in Hobart Manor. Many faculty members and students attended, enjoying one last get together before the semester ended. A special thanks goes out to Leo Sherman, Billy Test, and "surprise" guest musicians who provided live music during the event.
