

WPUNJ Sabbatical Leave Program

Full-time, tenured faculty who, as of June 30th prior to which the leave is requested, have completed six or more consecutive years of service at WPU, are eligible to apply for a competitive sabbatical leave. Sabbaticals can be half-year or full-year in length. An application is submitted to the WPU Sabbatical Leave Committee which is composed of a faculty member from each of the five colleges, a Union representative, and a staff member. The committee reviews the academic merits of each application and makes a recommendation to the President.
