

William Paterson University Sample Club Club Sports Participant Contract

Name: _____ 855#: _____

As a student participant in the above referenced club sport, I understand that I must abide by the rules and regulations of William Paterson University (WPU) and the Student Government Association (SGA). I understand and accept the terms of this contract which include but are limited to:

1. The student participant is considered a student first. Students must remain in good standing for the duration of the season. Failure to meet WPU, SGA, Campus Activities and Student Leadership academic requirements will result in restrictions on participation and possible removal from any team or leadership position.
2. The student participant shall not solicit money from any source or make any financial commitment or incur any financial liability in the name of WPU or the SGA without first obtaining the approval of the SGA's Financial Manager or the Office of Camps Activities.
3. The student participant must follow any safety procedures required by the coaching staff or the playing facility. The student participant must inspect his/her equipment and immediately notify the coaching staff of any problems.
4. The student participant shall attend all games and practices unless excused by the coaching staff. Policies for absences shall be established by each coaching staff.
5. The student participant must read, understand, and adhere to all policies found in the specific sports constitution, Student Handbook, the SGA Financial Guidelines, the Club Sports Manual, the Campus Activities office policies and all regulations associated with the conference, league or association pertaining to the club sport program. All student members will be held accountable for their actions weather they occur on or off campus.
6. The student participant must immediately report all accidents or injuries to WPU personnel or to the coaching staff.
7. The student participant shall timely pay all fees required by the club sport. Failure to do so may result in the student participant forfeiting participation in games and practices. Commitment fees and club dues are nonrefundable. Below you will see an actual break down of fees for this year. Please be advised that budgets are subject to change at any time based on current team and environmental factors. Dues are to be paid by the deadline set forth by the SGA Financial Advisor and the Team President. Payment of dues and tryout fees do not guarantee equal playing time and the teams coaching personal will make all final decisions on each member's contributions to the club sport team.
8. Students who participate on a club team will be included in the University Early Alert System and may need to meet with the Club Sports Advisor and/or their coaching staff depending on specific needs. Your academic status may be shared with the coaching staff if deemed necessary by the Administration. Signing this member contract indicates your willingness to share your academic information.
9. Any club equipment, fundraising materials, or any financial burdens created intentionally or unintentionally may result in judicial action, removal from team activities, or other University action.
10. WPU, The SGA, and the Office of Campus Activities and Student Leadership reserve the right to modify this contract as needed.
