Your application was selected for review in a process called "Verification." Verification is a process governed by Federal and/or State regulations and is used to ensure that the information applicants report on the Free Application for Federal Student Aid (FAFSA) is accurate. In this process, WPU will compare information from your 2014-15 FAFSA with this form, copies of 2013 U.S. Federal Income Tax Return Transcripts, or if applicable, W-2 forms and other financial documents. If there are differences between the information on the FAFSA and your financial documents, WPU will need to make corrections. Information retrieved using the Internal Revenue Service (IRS) Data Retrieval Process and not subsequently changed, is considered acceptable documentation for IRS-related information, and your Federal Tax Return Transcript will not be required. Feel free to contact the Financial Aid Office at 973-720-2202. **Please read and complete all sections below.**
