

William Paterson University
Department of Economics, Finance, and Global Business

Course: Money and Banking: Econ 3100

Professor: Ramjerdi

Email: Ramjerdim@WPUNJ.edu

Course Description

Money and Banking introduced students to financial world and provide basic guidelines for applying economic theory to financial decisions that are made nearly every day. It will further enhance students' knowledge to put theory into practice and provide real-world examples of the ideas from relevant public policy debates to help develop an understanding of the daily financial news.

Course Outcomes

By the end of this course you should be able to:

- Analyze Financial Instruments, Financial Markets, and Financial Institutions
- Calculate Future Value, Present Value, and Interest Rates
- Explain the Structure of Central Banks: The Federal Reserve and the European Central Bank
- Apply Monetary Policy and Explain the Role of FRB in Financial Stability
- Explain Exchange-Rate Policy and the Central Bank
- Outline Financial System Regulations
- Analyze Modern Monetary Economics

B+, B, B-	Good
C+, C, C-	Satisfactory
D+, D	Minimally Passing
F	Failing
In	Incomplete*

* Student must request and be approved by Instructor. IN changes to "F" 30 days into the following semester.

Make-up tests are not allowed. Quizzes must be taken in Blackboard before the due date, late submissions are not allowed and results in grade zero. Students are expected to have solved all the end of the chapter questions and post their questions in Discussion threads. Extra credit work is NOT allowed.

Students are expected to take online quizzes in Blackboard on each chapter. Late Quizzes/Exams are NOT allowed, and must be taken within the assignment date, a grade ZERO will be assigned to missed quizzes and exams, unless you have a legitimated excuse and have made a prior arrangement with me.

Discussion questions

- When responding to the Discussion Questions, students should post complete, well thought-out responses in their own words (not copy and paste) in colors navy blue or black.
- Students should proofread responses for spelling and grammar before posting to the Board.
- Students should post messages in the 100-word.
- Students should respond to at least two classmate's message on each of the discussion questions and respond to all follow up questions.

Code of Conduct

Appropriate netiquette, attention, and participation are expected of each and every student.

Honesty and integrity are necessary to the academic and professional functions of business. Acts of dishonesty undermine the basic foundation of the academic environment. Improper academic conduct on the part of students shall be interpreted to mean the obtaining and using of information during an examination by means other than those permitted by the instructor, including the supplying of such information to other students. All forms of academic dishonesty, including cheating, and plagiarism, are

subject to disciplinary action according to the William Paterson University student guide.
