

Child Support Paid

Your 2013-2014 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding any Federal Student Aid, we must ask you to confirm the information you (or spouse if student is married) or your parents reported on your FAFSA. To verify that you provided correct information the financial aid office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information will be corrected. If you have questions about this form, contact the financial aid office as soon as possible at (973) 720-2202 so that your financial aid will not be delayed.

One of the parents included in the household or the student (or spouse if student is married) PAID child support in 2012. List below the names of the persons who PAID the child support, the names of the persons to whom the child support was PAID, the names of the children for whom the child support was PAID, and the total annual amount of child support that was PAID in 2012 for each child.

If more space is needed, provide a separate page that includes the student's name and ID number at the top.
