4. General Comments
  - a. Improvement in parking situation for faculty and staff after the opening of a parking garage!
  - b. Allow teaching faculty to use the parking garage free of charge. Since the garage is not fully occupied, the university is not "losing" money.
  - c. Move the college vans out of faculty parking lot which is near the parking garage. And move all reserved parking spots to the parking garage (or to the parking spots outside the garage but inside the gate).
  - d. It looks like the number of reserved parking spots increases over time which is not acceptable to faculty.
  - e. Event Parking
