Biography/History:

Robert A. Roe (1924-) United States Representative from New Jersey was born in Wayne, New Jersey on February 28, 1924. He attended Oregon State University, for engineering, and Washington State University where he majored in political science before serving in the United States Army Infantry in 1942. While in the Army Roe served with the Communications and Reconnaissance forces in the European Theatre. For his exemplary service in the military Robert Roe was awarded the Bronze Star.

Roe served as Chairman of the Board of the Morris Canal and Banking Company, Wayne Township Committeeman (1955-1956), Mayor of Wayne Township (1956-1961), and Passaic County Freeholder (1959-1963), as well as Board Director (1962-1963). From 1963-1969 he served in Governor Hughes's cabinet as Commissioner of Conservation and Economic Development. In 1969 Roe was elected to the Ninety-first Congress by special election to fill the

vacancy caused by the resignation of U.S. Representative Charles S. Joelson. Roe was reelected to the following eleven Congresses (November 4, 1969 – January 3, 1993). He was an unsuccessful candidate for the Democratic nomination for New Jersey governor in 1977.

As the United States Representative from New Jersey, Robert A. Roe represented the 8th District. During his time as representative he served as chairman of the Committee on Science, Space, and Technology in the One-Hundredth and One-Hundred-First Congresses (1987-1991) and as chairman of the Committee on Public Works and Transportation in the One-Hundred-Second Congress (1991-1993).

Roe did not seek re-nomination to the One-Hundred-Third Congress and retired in 1993. After his retirement Roe, returned to Wayne, New Jersey where he continues to work as a consultant and lobbyist with Robert A. Roe & Associates, Inc. Roe died on July 15, 2014.

Scope and Content:

This collection includes the correspondence, speeches, press releases, case files, pamphlets, campaign material, books, voting record, and pictures recording the activities of United States Representative Robert A. Roe from 1966 to 1980. The collection is contained in 21 archival storage boxes, or 21 cubic feet of material. The bulk of the collection is his correspondence with colleagues and constituents relating to various issues, especially those that address concerns over the environment and the economy.

Arrangement:

The collection is arranged based on the filing structure of the Congressman's office, but has been adapted to ease accessibility. Original box names are included for folder titles where appropriate. The collection is divided into two series, PERSONAL and POLITICAL. The PERSONAL series contains material relating the Roe's professional development, i.e., campaigns, and personal interests. The POLITICAL series contains material related to his service as a member of the United States Congress. The collection is then organized by chronology and subject. Folder titles have been maintained with the exception of abbreviations and in cases where clarity was required.

Preferred Citation:

When citing material from these collections please use the following format: Direct reference to the item of its file folder, Robert A. Roe Papers, William Paterson University, Wayne, New Jersey. Do not make use of the item's file or box number as that is not a stable descriptor.
