

Kurt and Anny Landsberger Scholarship

Two \$3,500 scholarships available, funded by Kurt Landsberger.

- Awarded to students majoring in environmental science or environmental studies with a minimum GPA of 3.0.
- Candidate must be a U.S. citizen and a graduate of an Essex County high school.
- Additional consideration will be given to a student who can demonstrate past and present involvement in environmental action/protection activities and/or who demonstrates financial need.
- Scholarship is renewable.

This is an excellent scholarship opportunity; if you qualify, please contact Dr. Becker to continue the application process.
