ADDENDUM NO. 2

TO: All Prospective Bidders
DATE: April 8, 2016
PROJECT: **Music Department Interior Improvements
(WP-16-02-01)**

This Addendum No. 2 forms a part of the contract bidding documents and answers all questions submitted regarding the bidding documents.

Clarifications and Update:

1. Item #3 in Scope of Services states: "In Practice Rooms where there is an existing duplex outlet in a wall that will be covered by a new sound barrier wall, move the electrical outlet to the face of the new sound barrier wall". This clarification changes the answer given to Addendum No. 1, Question 6.

There will be no changes to the existing electrical outlets in the Music Practice Rooms. Instead, Bidders should include the cost for furnishing and installing fifteen (15) 12" x 12" access panels in the new sound isolation walls. These access panels will provide access to the duplex outlets behind the new walls. Provide General Purpose Access Doors BA-AHD (attached), or equal.
