Interviewing for Hiring Success

February 16th

Leverage this proven strategy for choosing the right candidate for the job. The art of behavioral interviewing will be taught and practiced in this highly interactive, eye-opening workshop.

YES! We CAN All Get Along.

February 23rd

Conflicts and personality differences don't need to cause frustration. Learn how to create win-win work and interpersonal relationships by recognizing and responding to the personality driven roots of differing opinions and perspectives.

Closing the Generation Gap

March 7th

Baby Boomer? Generation X? Millennial? Gen Z? Does it matter? What are the assumptions we hold about the unprecedented four generations working together in one place? A multi-generational workforce is actually rich with possibilities. Learn how to recognize and value cross-generational differences to maximize unique talents and perspectives.

THE GENERATION GAP

Breathing Life Into Presentations Through Story Telling

March 16th

Get noticed and remembered. Be interesting and engaging. The key is having story telling skills. Learn the secrets to being heard in this fun and highly interactive session.

*Be a Rock Star

*April 13th - at College Hall Board Room 202

What's the difference between successful professionals and you? Successful professionals show their special talent. Learn how to show your most desirable characteristics, habits and practices so you can BE KNOWN as the Rock Star professional you are.

Inspiring Collaboration

April 18th

Learn the keys to motivating involvement, generating ideas and inspiring engagement out of teams and collaborators. Learn how to effectively communicate objectives and get goals met in less time.
