

CURRICULUM MATERIALS CENTER

Textbook Call Numbers by Subject

The Curriculum Materials Center has a collection of textbooks (K-12) that are arranged by the Dewey Decimal System. They are shelved first by subject area, then by publisher and grade level. Teacher's editions are available, and, when possible, student materials and supplementary teaching materials.

Most textbooks do not circulate. A limited selection that are marked with "3 day loan" stickers may be borrowed for three days.

Subject	Call Number	Subject	Call Number
Algebra	Text 512	Language Arts, Elementary	Text 400
Art	Text 700	Language Arts, M/HS	Text 420
		Life Sciences	Text 570
