

# Camp Veritans Parking

Please be aware that any vehicle bearing a William Paterson University parking decal can park in the Camp Veritans Parking Lot when our lots are full.

As a result, when you are having difficulty finding parking, go to entry one, and drive into Camp Veritans.

When you park there, do not park on the grass. Thank you.

If you have questions, call the Deputy Director of Public Safety at (973) 720-3207.
