Move-In Schedule

Returning Residents

Date: Monday, September 4, 2017

Time: 10:00am – 6:00pm

Resident students should follow the schedule as outlined below for checking into the residence halls. The times specified are planned so that the activity will be dispersed over a period of time to have the process run smoother for students and families. Please plan your arrival within the hours stated, as deviance from the schedule will result in delays for everyone. **You will not be able to unload your car without having gone through the room check-in process at your assigned building. A licensed driver must remain with your car at all times while in the unloading zone. Please have your William Paterson ID with you to present at check-in.**

General Information

All students must have a fall 2017 class schedule to move into housing. A student who is not registered will not be allowed to check in to their room assignment until they are registered.

Financial Clearance – All students are expected to have their accounts paid in full or covered in full with financial aid prior to our move-in date.

Students not cleared financially prior to September 3rd will be referred to Student Enrollment Services, Morrison Hall. If you have questions about your account, you can call that office at 973-720-3945 after the holiday weekend, M-F 8:30am -4:40pm.

Meningitis Clearance – Documentation showing proof of administration of the meningitis vaccine must be sent to the Health and Wellness office before move-in day. Students will not be allowed to move in without clearance from the Health Office. Bring a copy of vaccine records with you as a back up to your submission to avoid problems on move-in day.

Because of the expected volume of pedestrian traffic, we recommend that you bring a handcart to assist with the larger items, grouping your belongings into larger containers. We do not provide handcarts for move-in. We also recommend labeling all items with your name, building and room number.

The residential gate will be opened and Campus Police will coordinate traffic throughout the move-in day. **The residential gate will be closed after the scheduled check-in hours.** Please refer to the Residence Life webpage for a full listing of gate access hours and information.
