

Resources

Many resources are available to you while classes are online; use the groups below to find the support and information you need to be successful.

Remote Live Tutoring – all tutors are real people, and tutoring is live!

- **Tutor.com** – use the link on the main page in Blackboard; it's free, live and covers most courses with 24/7 access
- **Academic Success Center Online** – live tutoring via teams – check the schedule and how to connect here: <https://www.wpunj.edu/academics/asc/assests/spring2020etutoringschedulemaster7.pdf>
- **Science Enrichment Center Online** – also check their Blackboard page for information on sessions <https://www.wpunj.edu/sec/schedules/stugrALL.html>
- **Writing Center Online** – here's there starter handout that shows how to sign up for online appointments and how it works: <https://www.wpunj.edu/cohss/departments/english/writing-center/Willy%20P%20WC%20Online%20Starter%20Kit%20June%2019.pdf>

Learning Skills Help – get started learning some tips and strategies for how to learn and be successful in an online course and study strategies that can be used even in an online setting.

- **Online Learning – Keys to Success:** <https://www.youtube.com/watch?v=rnDyAc64JU4>
- **3 Keys to Successful Online Learning:** <https://www.youtube.com/watch?v=H-deFSyeXSM>
- **Crash Course** – go through the Study Skills series for great tools, tips and strategies – this link will begin the series: <https://www.youtube.com/watch?v=IhuwS5ZLwKY&list=PL8dPuualjXtNcAJRf3bE1IJU6nMfHj86W>
- **Key Learning Strategies How-To:** <https://www.youtube.com/watch?v=CPxSzyIRCI>
- **How to Study for Exams [Even If You're Freaking Out at the Last Minute] -** <https://www.youtube.com/watch?v=UIMI4Hh4PxU>

Online Course Content, Explainers and Practice – Sometimes it's helpful to see a topic reviewed step by step; get some additional explanations or practice problems when trying to learn more independently.

- **Khan Academy** – Video lessons and practice materials on a wide range of subjects – lessons are instructional and step by step for math, sciences, computer science, some humanities, economics and NCLEX or PRAXIS exam study.
- **Duolingo** and **Memrise** are free language practice apps and websites – don't provide formal lessons, but great for motivated practice! <https://www.memrise.com/home/> <https://www.duolingo.com/>
- **CrashCourse** – online lessons across a wide range of humanities, social sciences, science and arts topics – videos are accessible, free and designed for you to take notes and learn! <https://www.youtube.com/user/crashcourse>
- **LinkedIn Learning** – access this through the apps button on WP Connect – use the search bar for a topic or browse for courses – also a good starting point to learn how to navigate Blackboard and other online tools.

Study Apps and Resources - Creating games and your own study materials are great ways to learn on your own and make material accessible! Look through these options to see what works best for you.

Quizlet – free learning app for phone or web – create practice quizzes, flash cards and study tools <https://quizlet.com/>

StudyShack – free for phone or computer -use materials downloaded by others or create study games with your own materials: <https://www.studystack.com/>

Brainscape and **Studies** are phone only apps that allow you to create flash cards using your own materials

Tutor.com Meeting spaces – Use the “Join a Meeting” tab at the top of tutor.com to schedule a remote study session with classmates – available to all students once you click into our Tutor.com site (from the main page of Blackboard) – includes chat, sharing a screen, file sharing and whiteboard.

Library and Research Help – While classes are online, librarians are available through 24/7 chat, virtual research consultations, and by email!

- The Cheng Library has librarians available for research assistance – email the reference desk with questions or to schedule a chat appointment: refdesk@wpunj.edu
- Chat 24/7 with a librarian through their live chat option:
<https://libraryh3lp.com/chat/chengreference@chat.libraryh3lp.com?skin=28364>
- All databases and online materials are available to you from home: <https://www.wpunj.edu/library/>

Materials and Books:

- **Access to FREE e-books** - Visit <https://studentresponse.redshelf.com> to gain access to eBooks at no additional charge with your @student.wpunj.edu email address. You can access up to 7 eBooks for the designated period free of charge. Use your @student.wpunj.edu email to create your account.
