

## Proctor Own Exams

Instructor confirms ability to provide all requested alternative testing accommodations (ex: during office hours, or selected time between instructor and student).

## No Exams

Indicate no tests or exams in the course

## Online Exams

1. Online Courses-All assessments are online and proctoring is not needed.

2. In-person Courses- All assessments are online AND outside of class time, therefore proctoring is not needed.
\*Testing accommodations, such as extra time on exams are implemented through Blackboard, or any other online management system.

## ARC Proctoring

Request ARC's proctoring services for in-person exams
