A paper W2 Form will be sent via regular mail to your address on file only if you did not consent to receive the W2 Form electronically. The W2 Form will be post marked no later than January 31st, 2021 in accordance with IRS regulations.

In addition, I encourage you to consider consenting for electronic delivery of your W2 Form next year to support William Paterson University's commitment to sustainability and to becoming a fully green campus. The [Instructions to submit the election of electronic delivery method of Form W-2](#) will assist you in completing the consent to receive W2 Form electronically.
