

Did you publish in 2020?

The Cheng Library staff is pleased to honor our University colleagues whose research and scholarship has resulted in books, journal articles and other substantial works – including media – with a bibliography of material published or released in 2020.

Please do not submit publications directly to the library. Please enter (or update) the information on your published materials into Digital Measures by **Friday, February 5, 2021** for inclusion in this year's author bibliography.

Only entries in Digital Measures will be included, and entries must be listed as "Published" in Digital Measures to ensure inclusion in the bibliography.

Bibliographies for recent years are available at: <http://www.wpunj.edu/library/authorreception/>
