HELP IMPROVE
THE STUDENT EVALUATION
RESPONSE RATE!

Students will soon have the opportunity to provide valuable feedback by completing their course evaluations.

Course evaluations will automatically be sent to your students from OnlineCourseEvals. Evaluations can also be accessed through WPConnect.

We encourage you to get as many of your students to complete their evaluations by allowing classroom time to do so.

Questions or issues? Please create a web help ticket and select Online Course Evaluations

Thank you in advance for your assistance.
The Course Evaluation Team at WPU really appreciates it.
