

## [Faculty Fellowship Opportunity, Office of Sponsored Programs](#)

The Office of Sponsored Programs (OSP) is pleased to invite nominations, and applications, for a new Faculty Fellow position for the AY21-22. Sponsored research and contract growth in recent years at William Paterson University has afforded the opportunity to integrate a faculty member into the activities of the office and to further help facilitate grant writing and to support grant management at the University.

The position description and application template can be found below, as well as on the [Provost Office News & Events website](#) or directly on the link below:
