

WILLIAM PATERSON UNIVERSITY

Are there **PROS** and **CONS**  
of speaking publicly as a survivor of  
sexual violence??

Hear the perspective of a survivor who has spoken to  
CNN, RoleReboot, HuffPost Live and others.

*Along with the many pros of breaking the silence,  
there are some potential challenges and concerns to be considered.  
James Landrith will talk about his own experience as a survivor  
in the public eye and how to navigate the ups and downs of life  
as a survivor once you go public.*
