Call for Proposal for NJEDge's Annual Conference

Submit to http://www.cvent.com/d/4fqx5g/1Q

 Submit a proposal for your best practice on:

- Assessment
- Gamification/robotics
- Healthcare
- Learning and teaching (on ground, online, flip, hybrid, distance, etc.)
- Library and digital resources
- Network, infrastructure, system, architecture, virtualization etc.
- Policy and Governance
- STEM/STEAM
- Video conferencing, video production, video broadcasting

This year's conference theme is "Junction of Teaching and Technology" and we are sure your contribution will be reflect this important message.

The deadline is May 6 (just a month away). Please try to submit early. If your proposal is accepted, Instruction & Research Technology will pay your registration for a day.

Here's the link again. http://www.cvent.com/d/4fqx5g/1Q
