## It's FREE!

The Pre-College Summer Programs immerse students entering grades 9th to 12th in a unique university summer experience from July 7 - Aug 1, 2014. The Pre-College Youth Programs high school workshops give students a sampling of different career possibilities in order to discover their abilities, talents, and explore the career paths that best fit them. Programs for middle school students are also available (full day and half day camps). New programs are added to our website daily.

Meet our Pre-College Summer Youth Programs team and learn more about our summer programs! Visit the William Paterson University Summer Pre-College Information Session on April 24, 2014 between 3:30 p.m. - 6:30 p.m. at 1600 Valley Road, Wayne NJ, 07470. Light refreshments will be served.
