

# Money Management 101

Tuesday  
April 10  
12:30 PM

## FREE Workshop

**William Paterson University**  
**Room 171 B Student Center**

**Increase your financial literacy by learning:**

- How to think about Money
- How to plan for a successful future
- How to manage Money

## FREE FOOD & GIVEAWAYS

A free financial literacy course taught by Brian D. Jacks, a University of Pennsylvania and Drexel University alum who provides leadership, strategic direction and structures for success for companies as they build lasting value for shareholders, customers, and beneficiaries of corporate philanthropy. Brian has held positions such as President and Chairman of the Board of two Verizon Wireless joint ventures and Area President of Tower Operations where he had Profit & Loss responsibility for a 400+ national organization managing over \$2B in assets.
