## **The Hartford Technology Rental Company IT Scholarship Grant**

At Hartford Technology Rental Company, we believe the goals we have achieved as a company can be attributed in large part to those individual lessons, both academic and otherwise, each of us learned at the universities we attended. Therefore, we'd like to help current students who are engaged in the study of Information Technology and have a focus on mobile technology application writing to have the same valuable experiences we had. To recognize those students who will likely have an impact on the future of technology, we are offering undergraduate students at the Junior and Senior level an opportunity to apply for our first annual Hartford Technology Rental IT App Writing Scholarship. Details and criteria are as follows:

### **Scholarship Name:**

Hartford Technology Rental Co. IT Scholarship

### **Purpose:**

To provide financial assistance to students at the Junior and Senior level who are concentrating in the study of Information Technology with a focus on mobile technology application writing and who have a proven need for funds to meet their tuition costs.

### **Amount of Scholarship:**

\$1000 awarded two times annually.

### **Number of Recipients:**

Two \$1000 scholarships will be given each year (May 15<sup>th</sup> and December 15th).

### **Eligibility:**

- **Financial Background:** Consideration for this award will be given to all full time, undergraduate Junior and Senior level students who come from low and moderate income economic backgrounds. Further consideration for this scholarship will be based on the following selection criteria: the recipient must be a resident of the United States; must provide verification of full-time attendance at a US not-for-profit university; must be attending college on a full time basis; and must have maintained a cumulative grade point average of at least 3.0 on a 4 scale (4 on a 5 scale). The family of the applicant must show financial need and meet federal guidelines for low/moderate income in their home MSA as determined by their current year tax return or student aid report.

- College: This award is limited to students at full-time, not-for-profit, four year US universities with an accredited Information Technology course of study.
- Major: Limited to students majoring in information technology or an IT related field and demonstrating a focus on mobile technology application writing.
- Geographical Restrictions: The applicant must be attending college in the United States and be a US citizen.
- Academics: Applicants must have maintained a cumulative grade point average of at least 3.0 on a 4 scale (4 on a 5 scale) for all academic years preceding the year of the award grant.

### **Selection Procedure:**

Applicants should first consult with the financial aid office of their respective university to determine their eligibility for this award. Following that initial screening, applicant must apply on-line at <http://www.hartfordrents.com/scholarship> for consideration. Determination of the successful candidates will be the sole responsibility of Hartford Technology Rental Company. However, no award will be made without Hartford first consulting with the financial aid office of the appropriate university, which is responsible for ensuring compliance with regulations concerning federal, state, and other aid. The university will be responsible for presenting the successful student with the award.

### **Term of the Award**

Each award will be made for a single academic year. Recipients may reapply for subsequent years as long as they continue to meet the conditions of eligibility and funds are available.

**Amendment:**

The donor may modify these provisions as necessary due to changes in the law, in its circumstances, in the policies of the applicable university or for any other reason whatsoever.

**Applications Due:**

April 30, 2014 and November 30, 2014.
