

The Faculty Senate has a limited number of openings on Councils for the 2013-2015 term or for one year replacements. The Councils make recommendations about issues related to the academic life of the University and provide a way for faculty to become involved in University service. A complete list of all councils and their responsibilities can be found on the Faculty Senate webpage: <http://www.wpunj.edu/senate/faculty-senate-councils.dot>

A representative from each of the colleges, the library and the professional staff is needed to serve on each council. Only faculty from the College specified, the library or members of the professional staff can fill an open position unless the position is marked as at-large. Serving on a Council is an excellent way to become involved with campus life and decision making.

Any full-time or adjunct faculty, librarian or member of the professional staff interested in any of the following openings is asked to contact Diane Falk Romaine, vice-chair of the Faculty Senate, at falkd@wpunj.edu **no later than Monday, April 22.**
