April 2013

4-7, 12-14 & 25-28

Hunziker Black Box Theatre

Winner of the Ninth Annual NJ Playwrights Contest - Play Series

Alan Zuckerman has compiled a list of 997 events regarding his three-year old son David. A list with specific documentation that he believes proves that David is the Messiah. Yes, THAT Messiah! And he has brought the list, David and his 'in-the-dark' wife to their Rabbi for verification. Skepticism abounds in this new comedy drama that explores the expectations we have for ourselves and put on others to "do good."
