## We're Awarding a \$2500 Scholarship for a Slice of Life

There's more than one way to peel an orange, and there's more than one way to learn. As someone who works daily to engage students, you know that they come to your classroom with unique traits and identities.

We want to hear about them! We're asking students to get creative and put together a short video that illustrates their identity as a unique learner.

***We're awarding a \$2500 scholarship for the best video.***
