Funding Opportunities Newsletter

August 21, 2018

Please contact the Office of Sponsored Programs when you begin working on a proposal.

Search for Funding

Use online databases such as the subscription services provided through WPU's Office of Sponsored Programs or free services available from the Federal Government or other programs

[Grant Search](#)

Search for funding that is right for public colleges and universities.

[Grants.gov](#)

Federal portal to finding funding opportunities and applying for support.

[Grant Resource Center](#)

Extensive information on federal and other funding opportunities.

Special Announcement National Science Foundation (NSF) - Webinar

The Office of Sponsored Programs (OSP) invites you to participate in the following webinar:

Strengthening STEM Education through NSF's EHR Directorate

Thursday, August 23, 2018 – 12PM to 3PM (live)

Wednesday, October 10 from 1:30PM to 4:30PM (replay)

In order to develop the next generation of America's scientific workforce, the EHR Directorate provides resources to increase capacity, techniques, and the sustainability of STEM education nationwide. Join NSF presenters as they describe the ways universities can take advantage of EHR Directorate resources, and best practices for supporting scientific development at institutions of higher education.

RSVP to OSP is strongly encouraged as space is limited; please call or email: petersm@wpunj.edu or 973-720-2852. For additional information concerning the webinar or the NSF, please contact Christine Bravo at BravoC4@wpunj.edu or Martin Williams at williamsm@wpunj.edu.
