Alan Weiss and Marshall Goldsmith

The Powerful YOU.

Join us for five Lunch and Learn Sessions centered around the 2017 book, Lifestorming: Creating meaning and achievement in your career and life by Alan Weiss and Marshall Goldsmith.

Lifestorming is a practical guide to discovering a new way of thinking about your goals. The book will challenge your priorities and identify the people, behaviors, habits and beliefs that either propel you forward or hold you back. This insight will help you set a course for becoming the person you want to be both at work and at home.

Discussions will be guided by Annette Baron, Adjunct Professor, Cotsakos College of Business and Principal, The Training Edge.
