In anticipation of your arrival to the University, we are providing you with the enclosed parking permit/decal along with important information regarding parking and transportation on campus.

Surface lot parking is available at no charge to any student, faculty or staff member. On the main campus (Lots 1, 2, 4, 5 and 6), designated resident and commuter student parking areas are identified by white lines. Faculty/staff designated parking areas are identified by yellow lines, including Lot 8, at Hobart Hall. Evening classes after 7:00pm, students may park in the faculty/staff parking areas of Lot 3.

Handicapped parking is available in all lots except Lots 1 and 2. Vehicles must have handicapped license plates or official hangtags displayed to utilize those spaces.

Resident Student parking is available in specific lots, which are adjacent to the residence halls. Resident parking is available in Lot 1, Lot 2 rows C and D, Lot 6 and lots near Pioneer and Heritage Residence Halls. Overnight parking is only permitted in those lots, and vehicles parked in those lots must display a resident parking permit/decal.

Pioneer Parking is available to any student, faculty or staff member who pays for a garage parking rate plan or on an hourly rate basis. Garage parking is available 24 hours a day, every day. Overnight parking is available to resident students who pay for a residential rate plan.
