

## "Calling All Bilingual WPU Students"

Travel with the Mission and assist medical professionals in clinic functions.  
If interested in volunteering - Contact [tracyj@wpunj.edu](mailto:tracyj@wpunj.edu) as soon as possible.  
Mission March 17-23, 2018

The Cheerful Heart Dental Mission is an annual health mission that provides advanced oral care to the remote regions of the Dominican Republic and Haiti. While abroad, the Mission opens two fast-paced clinics, where in 2017 over 800 adults and children were treated in a five day period.

For its 2018 Mission, taking place March 17-23rd, 2018 Cheerful Heart is seeking Spanish-speaking WPU students to travel with the Mission and assist medical professionals in clinic functions. Training and sponsorship for travel will be provided for any student selected to attend the Mission. Preference will be given to any students with basic nursing/medical training. For those interested in serving with Cheerful Heart, please reach out to either Dr. Jan Tracy at [tracyj@wpunj.edu](mailto:tracyj@wpunj.edu), or DJ Schnabel at [schnabeld12@gmail.com](mailto:schnabeld12@gmail.com) as soon as possible.
