N.J. State Employees Charitable Campaign 2019/2020

Dear Colleagues,

By participating in this year's Charitable Campaign, William Paterson University employees are joining with other State employees across New Jersey to make meaningful difference in the lives of the less fortunate. There are hundreds of worthwhile organizations from which to choose and funds contributed go directly to the charitable organization you designate.

By opening your heart and making a generous contribution to the N.J. State Employees Charitable Campaign you can:

- Help to feed and sustain a hungry family
- Provide disabled veterans with the care and counseling they need
- Fund research to find cures for deadly diseases
- Support raising funds for scholarships
- Assist your favorite charitable organization in fulfilling its mission

You can make your donation by personal check, via convenient payroll deductions or you can make your pledge online at: <https://njecc.americascharities.stratuslive.com/>. All donations are due by December 20, 2019.

If you would rather complete a paper form, need a Pledge Form or Code Book of participating organizations or have any questions please contact Ingrid Montoya at extension 2124.

If every William Paterson University employee decided to donate just \$2.00 per pay period to the Charitable Campaign, we could raise over \$100,000 this year!!! Please consider a generous donation to the Charitable Campaign in 2019/2020.

A special thank you is extended to all who contributed so generously in past campaigns for your continuing commitment to improving the lives and well-being of others. Please encourage your colleagues and co-workers to join this year. Together, the William Paterson University community can exceed last year's contributions and enrich the lives of those in need.

For more information, please visit the [New Jersey Employees Charitable Campaign](#) on the Human Resources webpage.
