

If you have not signed up for Direct Deposit of your Refunds, please consider the advantages of using direct deposit which are listed below. This free electronic refund service will deposit a student's money into their personal checking or savings account. To participate in this service, go to "Sign Up for Direct Deposit of Your Refunds" below and click on the instructions or go to <http://www.wpunj.edu/studentaccounts/index.dot> and click on Direct Deposit of Refunds from the menu options.

If you are currently receiving your refunds by direct deposit, please be sure that your ABA routing and account numbers are correct to ensure that your refund is posted to your bank account in a timely manner. Please remember that if you closed your bank account or changed banking institutions you must **remove** the refund option for direct deposit by going to www.wpunj.edu/ebill. If you would like to add or remove an account for direct deposit ([click here](#)) and follow the instructions. If your refund is returned by your bank because of an incorrect ABA routing and/or account numbers, you will receive a paper check in the mail, which will delay you receiving your refund.

Advantages of Direct Deposit:

- Electronic refunds reduce the time it takes to receive a refund.
- It will not be necessary to travel to deposit or cash your check.
- Eliminates the possibility of a refund being lost in the mail, stolen or misplaced.
- Provides email notification alerting a student that a refund has been processed.
- Easy accessibility of your money via your checking or savings account.
- Switching from paper check to Direct Deposit benefits the environment.
- Provides the opportunity to use some of the benefits offered by your banking institution such as on-line banking services, ATM service and a debit card.
