

E-Books for Everyone!

Using E-books for Coursework, Research & Teaching

FREE Library Workshop for Students and Faculty

Tuesday, February 17, 12:30-1:45 PM

Cheng Library, Paterson Room, 213

This workshop will offer a practical introduction to using e-books on two of our major platforms, Ebrary and EBSCOhost.

- Learn how to create a personal account
- Learn about built-in-tools like highlighting text, adding notes to e-books, & creating a fast-access e-bookshelf

**Over 124,000 electronic books in the
Cheng Library collection!**
