EXPLORATIONS is the "new and improved" University Research and Scholarship Day. The re-invented event provides the opportunity to bring other programs and activities together to celebrate and recognize research, scholarship and creative expressions that have engaged the entire University community.

EXPLORATIONS 2016 currently includes the 10<sup>th</sup> Annual Undergraduate Research Symposium, the Honors College's Honors Week Student Research Presentations, the College and Council sponsored sessions, Poster Sessions, and a conference on Research at William Paterson.

Watch for separate announcements concerning the Undergraduate Research Symposium and Honors Week activities.

Colleges and University-wide councils and committees will organize sessions that highlight or celebrate faculty and student research, scholarship or creative activity. These sessions will be in the morning or afternoon of the days they are scheduled.

The Poster Session has been expanded to three days will be held each day between 12:30 and 1:45. Posters may be presented by anyone who is part of the University Community. Poster abstracts may be submitted until March 11, 2016.
