

NJM Insurance Group is coming!

Bring your current auto and/or homeowners insurance policy declarations page —

**Qualified individuals can
get a quote in minutes!**

NJM operates in a mutual fashion, for the exclusive, long-term benefit of policyholders. Dividends have been paid to policyholders — not stockholders — each year since 1918.

As a leading property/casualty insurance company, NJM covers safe New Jersey and Pennsylvania drivers who work for members of the New Jersey Business & Industry Association — like our employees!
