

THE DAISY AWARD FOR EXTRAORDINARY NURSING FACULTY NOMINATION FORM

About The DAISY Foundation

The DAISY Foundation was established in 2000 by the family of J. Patrick Barnes who died of complications of the auto-immune disease Idiopathic Thrombocytopenia Purpura (ITP) at the age of 33. (DAISY is an acronym for diseases attacking the immune system.) During Pat's 8 week hospitalization, his family was awestruck by the care and compassion his nurses provided not only to Pat but to everyone in his family. So one of the goals they set in creating a Foundation in Pat's memory was to recognize extraordinary nurses everywhere who make an enormous difference in the lives of so many people by the super-human work they do everyday.

What Is The DAISY Faculty Award?

The DAISY Foundation, as part of its service to the nursing profession's role in patient care established **The DAISY Award for Extraordinary Nursing Faculty and Staff**. The purpose of this program is to provide to colleges/schools of nursing a national recognition program they may use to demonstrate appreciation to teachers for their commitment and inspirational influence on their students. The Foundation hopes that, in some way, this program will contribute to a positive work environment for faculty in schools.

How To Nominate An Extraordinary Nursing Faculty Member
