

After reading this document you will know how to change the language in which Blackboard appears to or from languages including: Arabic, Chinese, Danish, English, French, German, Italian, Korean, Portuguese (Brazilian), and Turkish

1. Go to WPUNJ Bb Home, <http://bb.wpunj.edu/>, and before logging in left-click the globe-like icon in the upper left corner of the page.

2. Select the language of your choice. If one chooses Arabic, for example, the login interface will look like this:

A screenshot of the Blackboard login interface in Arabic. The interface features two input fields: the top one is labeled "اسم المستخدم:" (User Name) and the bottom one is labeled "كلمة المرور:" (Password). Below the password field is a blue button labeled "تسجيل الدخول" (Login). At the bottom right, there is a link that says "هل نسيت كلمة المرور الخاصة بك؟" (Forgot your password?).
