Projects Completed 2018

Summer Projects 2018

1. College Hall Roof Replacement;
2. Atrium Hall Roof Replacement;
3. Hunziker Hall Renovation Project;
4. Cheng Library Carpet Installation;
5. Cheng Library Restroom Renovation Project;
6. Baseball Field Turf Project;
7. Tennis Court Resurfacing Project;
8. New Residence Hall Project.
9. Hobart Manor Exterior Repairs

College Hall Roof Replacement

Sttembrino Architects was the architect of record for this project. The existing 20 year old built up roof system was cleaned and coated with a Polyurethane Elastomeric two-coat Fluid-Applied System. The fluid-applied roofing membrane is specifically formulated for application over existing roofing. It comes with a 20-year warranty. Weatherproofing Technologies, Inc. was the roofing contractor. The re-roofing cost was \$359,985.

College Hall Roof Replacement

College Hall Roof Replacement

Atrium Roof Restoration

Weatherproofing Technologies, Inc. provided the analysis and specifications for repairing and restoring the existing 20 year old 60 mil EPDM roof and Kalwall skylight. A Tremco Polyurethane Elastomeric two-coat fluid-applied system was applied over the existing roof. The existing Kalwall skylight was cleaned, recauked and recoated with two coats of Kalwall Weatherseal #96 LR. Weatherproofing Technologies, Inc. was contracted to do the work. The roof restoration cost was \$431,600.

Hunziker Hall Renovation Project

Hunziker Hall was built in 1953 as the original building for the Paterson State Teachers College. The 43,868sf building underwent a total gut renovation that began in June 2017 and was completed in June 2018. It was the second phase of the two phase Preakness-Hunziker renovation project (the Preakness phase was completed in August 2017). NK Architects, Inc. was the Architect of Record, and Benard & Associates was the General Contractor. The total construction cost for the Phase A Project (Preakness Hall) and the Phase B Project (Hunziker Hall) was \$24,656,838.
