### **National History Day**

<https://www.nhd.org/why-nhd-works> NHD Works! This is a wonderful page to share with your colleagues and administrators. It chronicles the results of an independent study conducted by Rockman et al, providing empirical data for something already known anecdotally: NHD helps students with critical thinking skills, high scores on standardized testing, and critical writing; they consistently outperform their non-NHD peers in these areas. (Paterson School District was one of the included programs in this study!)

<https://www.nhd.org/%E2%80%9Cnew-2021-nhd-contest-rule-book%E2%80%9D> The official Rule Book, updated as of the 2020-2021 competition year. Your first stop for any and all project- and contest-related questions!
