

Clinical Practice II Journal Prompts

Week	Prompt
1	<p>Journal Prompt: Provide a descriptive overview of your district, school, classroom, and curriculum. How does the environment support the learning that is taking place in the classroom? (C3, edTPA, Task 1)</p> <p>NJ School Performance Reports Community Data</p>
2	<p>Journal Prompt: What excites you about participating in clinical practice? What is an area of concern or worry about participating in clinical practice?</p>
3	<p>Journal Prompt: What have you learned about the learners' learning needs and interests and how does/will that affecting your teaching? (C2, edTPA Task 1)</p>
4	<p>Journal Prompt: Select one lesson you taught and explain how the assessment(s) (formative and/or summative) provide evidence of student understanding of the learning objectives. (C8)</p>
5	<p>Journal Prompt: What is special and unique about your teaching and how do these qualities support diverse learners? (C3)</p>
6	<p>Journal Prompt: What excites and worries you about being transitioning from a student to a professional? (C16)</p>
7	<p>Journal Prompt: How have you applied feedback from your clinical educator and supervisor to improve your teaching? (C15)</p>
8	<p>Journal Prompt: Think about a lesson you taught that was not observed by your clinical supervisor. What feedback would you give yourself about the lesson? Provide specific experiences in your response.(C13, edTPA Task 3)</p>

<p style="text-align: center;">9</p>	<p>Journal Prompt: Select one lesson taught this week and review the assessment data. If you could re-teach the lesson again to the same group of learners what would you change to support learner achievement? Make note of what occurred in the lesson taught and reflect on why you would change it to support learner achievement. (C14, edTPA Task 3)</p>
<p style="text-align: center;">10</p>	<p>Journal Prompt: Review all of your observation assessment feedback in Chalk and Wire and reflect on areas in which you have grown and developed and areas in which you still need to improve. (C17, edTPA Task 3)</p>
<p style="text-align: center;">11</p>	<p>Journal Prompt: What resources and materials were the most impactful on your P-12 learners' growth? (C4)</p>
<p style="text-align: center;">12</p>	<p>Journal Prompt: How do you participate in the professional community in the school and at the university to develop and grow? (C15)</p>
<p style="text-align: center;">13</p>	<p>Journal Prompt: In what ways did you impact your P-12 learners during your clinical practice? In what ways did your experience with P-12 learners change you as a professional? (C14)</p>
<p style="text-align: center;">14</p>	<p>Journal Prompt: What excites and worries you now as you continue on the professional teaching continuum - transitioning from a teacher candidate to a beginning teacher?</p>
