STUDENT DRIVER RELEASE FORM

As the parent/guardian of my child, _____, I do hereby allow my child to drive on their own accord to William Paterson University in order to attend the Pre-College Youth Program.

I understand that my child should go to Entry 4 and park in Lot 5 while attending the Pre-College Youth Program.

I understand that my child must follow all check-out procedures with their counselor and that they may not check-out prior to the end of their class.

I understand that my child is responsible for maintaining parking regulations. They are as follows:

1. All vehicles parked on the University's campus must be properly registered with the New Jersey Motor Vehicle Commission or an equivalent out-of-state agency, must be properly inspected in accordance with New Jersey Motor Vehicle Statutes if the vehicle bears New Jersey license plates, must be properly insured, and must bear license plates.
2. All vehicles must be parked entirely within marked parking spaces in the University's parking lots or the Pioneer Garage. If an area lacks marked parking spaces, no parking is permitted there.
3. Parking is not permitted in areas where curbs are painted yellow or where signs prohibiting parking are posted.
4. All traffic signs on campus must be obeyed.
5. The lack of available parking spaces does not constitute an excuse for illegal or improper parking.
6. The presence of other illegally or improperly parked vehicles, which appear to have not been issued a ticket, does not constitute an excuse for illegal or improper parking.
7. Any vehicle parked on the University campus in violation of the parking regulations is subject to towing and ticketing by the University at the vehicle owner's expense.
8. The University reserves the right to temporarily close roads on campus and restrict access to parking areas for repair or safety considerations. Vehicles found in restricted areas will be towed at the owner's expense.
9. The University also reserves the right to limit access to parking areas for purposes of snow removal. Vehicles impeding snow removal will be towed. Resident students should insure that they are aware of parking limitations imposed due to inclement weather.

10. Students may park only in areas designated as student parking areas. Students parking in areas not designated as student parking will be subject to violation and/or towing.
11. Vehicles without license plates will be towed.
12. Persons found damaging traffic signs or devices restricting traffic on campus will be subject to the campus judicial process or arrest and prosecution.
13. Disabled vehicles must be reported to the University Police [(973) 720-2301] as soon as the vehicle is known to be disabled. Such vehicles should be parked in a position which does not obstruct traffic flow or endanger safety. Placing a note on the vehicle does not act as sufficient notice to the police. The owner/student must either contact the police by telephone/blue phone to report the problem or go directly to Police Headquarters.
14. A disabled vehicle may remain on campus for a period of 24 hours after it has become disabled. If more time is needed for removal, the owner/student must renew permission for the vehicle to remain on campus once every 24 hours.
15. Storage of vehicles on campus is prohibited. However, during extended recesses vehicles may remain on campus with permission from University Police.
16. Notes left on illegally parked or improperly parked vehicles will not be honored by the University. In such circumstances, the vehicle will receive a violation and/or will be towed at the owner's expense.
17. Visitor's spaces are to be used by visitors only. Students, University staff and faculty are prohibited from parking in those spaces.
18. Unpaid parking violations fees will result in the placement of holds on transcripts and diplomas.
19. The registered owner of a vehicle is responsible for payment of all fees associated with University parking violations issued to the vehicle by the University. In addition, a WPU student using a vehicle which receives a violation from the University is responsible for payment of the fees associated with University parking violations issued to the vehicle by the University.
